Best Practices in Kinesiotherapy lab

1. Students behave very responsible while attending the lab. Hygiene and maintenance of the lab is voluntarily maintained by student in-charges.
2. Equipment Register is well maintained and timely updated by HOD.
3. Practical sessions are conducted in the lab with help of real time Visualization AV mode.
4. Students are freely allowed to use the lab equipment's as and when they required to and also they have been given orientation on regular basis, equipment's used in the lab.
5. Various International days are celebrated in the lab, which enhances our students to get the awareness of the days celebrated globally.
6. Charts are made by our students and the same is placed around the lab in order to increase their creativity in lab.
7. Repeated Practical sessions and additional classes will also be held for slow learner.
8. Swaccha Bharat Abhiyan conducted as per the directions.
