12.	DR.SHRUTI BHALERAO	MEMBERS
13.	DR. SAYALI BANOLE	MEMBERS
14.	DR.POOJA TIWARI	MEMBERS

ABOUT THE SCHEME:

Guardian Teacher Scheme is accepted widely as a part of the teaching-learning process especially in Higher Educational Institutions. The central idea is to build a transparency relationship of student by management, staff and parent. Also, the students who come from rural, agricultural, and uneducated family backgrounds to pursue their higher studies or technical education need parent-like support, advice and, counseling not only in the curricular aspects but also to make them confident and to be tuned to the new environment and make them not-to-feel nervous or inferior in any aspect. The prime foci of scheme are to inculcate punctuality, discipline, professional/ skill developments among students.

This scheme aims to identify the potential & interests of students and guiding them accordingly towards active participation in co-curricular, extra- curricular & inter college participations. This scheme makes the students to adapt the new environment and academic schedule, to understand the needs of curriculum, to develop healthy interpersonal relationship and also for personality development.

This scheme helps to keep the parents informed about the attendance and performance of their wards from time to time.

OBJECTIVES:

1. To monitor the students' regularity and performance in each subject
2. To motivate the students and develop confidence to take up challenging tasks in their lives and help the society in nation building.
3. To counsel students for solving their problems/ traits and boost confidence to improve their quality of life.
4. To ensure that the parents/ guardian know about the performance and regularity of their wards.
5. To give students to choose right career path for future based on their interests.

THE PRACTICE:

1. This scheme is implemented effectively for First Year to Final Year students for better coordination and communication between student-management, staff and parent.

2. Under this scheme teacher guardian is appointed for a group of 4-5 student of each year.

3. The respective faculty takes continuous follow up of academic, curricular, and co-curricular development of every student and identifies students having good, average and poor performance.

4. The teacher guardian makes calls and informs about the same to respective parents and calls them for counselling if required.

5. The meeting is held every month to discuss the solutions of problem if faced by the student in college or in personal life.

6. A file is maintained to keep the record of every single step taken by the Teacher Guardian and is checked by the chairperson on monthly basis.

MINUTES OF MEETING
TEACHER – GUARDIAN MEETING

As per the guidance & directives of **Hon. Chairman Shree Sagar Dhole Patil Sir**, the Teacher–Guardian (TG) Meeting was conducted.

Date: 03 September 2026
Time: 2:00 PM to 3:30 PM
Participants: Teacher Guardians and Students from All Years

1. Introduction

The meeting commenced with an introduction to the **idea, purpose, vision and mission behind the Teacher–Guardian (TG) Scheme**. The importance of the TG system in establishing continuous communication, academic monitoring, personal guidance and overall development of students was explained.

2. Objectives of the TG Meeting

The meeting aimed to:

- Strengthen the relationship between teachers and students.
- Monitor students' academic progress and performance.
- Identify academic and personal difficulties faced by students.
- Discuss attendance and regularity.
- Review examination performance and marks.
- Monitor syllabus completion and study progress.
- Encourage participation in extracurricular activities.
- Provide appropriate guidance and mentorship to students.
- Create a supportive environment for students' overall development.

3. Points Discussed

The following important points were discussed during the meeting:

A. Academic Performance

- Review of students' overall academic performance.
- Discussion regarding areas requiring improvement.
- Guidance regarding effective study habits and time management.
- Encouragement to maintain regularity in academic activities.

B. Examination Marks

- Individual examination performance and marks were discussed.
- Students were guided to identify their strengths and areas requiring improvement.

- Strategies for improving performance in upcoming examinations were discussed.

C. Attendance

- Students' attendance and regularity were reviewed.
- Importance of maintaining the required attendance criteria was emphasized.
- Students were advised to attend lectures, practicals and clinical postings regularly.

D. Syllabus and Study

- Current syllabus completion and study progress were discussed.
- Students were encouraged to follow a systematic study schedule.
- Guidance was provided regarding preparation for upcoming examinations.
- Students were encouraged to clarify academic doubts with concerned faculty members.

E. Extracurricular Activities

- Participation in extracurricular, cultural, sports and other college activities was discussed.
- Students were encouraged to maintain a healthy balance between academics and extracurricular participation.

F. Personal Problems and Student Support

- Students were encouraged to openly communicate any personal, academic or other difficulties affecting their studies.
- The TG system was explained as a platform where students can seek appropriate guidance and support.
- Confidentiality and a supportive approach were emphasized during individual interactions.

4. Group Discussion

After the introductory session, a **group discussion** was conducted with the students. Students actively participated and shared their academic experiences, difficulties, suggestions and concerns.

The discussion helped the Teacher Guardians understand the students' needs and identify areas where additional academic and personal guidance may be required.

5. One-to-One Interaction

Following the group discussion, **individual one-to-one meetings with students were conducted**.

During the personal interaction, students were given an opportunity to discuss their individual concerns regarding:

- Academic performance
- Examination preparation
- Attendance
- Syllabus and study planning
- Extracurricular activities

- Personal difficulties
- Any other concerns affecting their academic progress

Necessary guidance and counseling were provided to the students based on their individual requirements.

6. Outcome of the Meeting

The Teacher–Guardian Meeting was successfully conducted with the participation of **students from all years**. The meeting provided an effective platform for academic monitoring, open communication and individual mentorship.

Students were motivated to take responsibility for their academic progress, maintain regular attendance, participate positively in college activities and approach their Teacher Guardians whenever they require guidance or support.

7. Conclusion

The meeting concluded with a positive interaction between the Teacher Guardians and students. The importance of the **Teacher–Guardian Scheme as a continuous mentoring and support system** was reinforced.

The initiative was conducted under the **directives of Hon. Chairman Sir** and with the **support and guidance of Principal Sir**, with the objective of promoting the academic, personal and overall development of every student.

8. Concerns

First Year

- Guidance for effective study and improving marks.
- Reduce college timings due to travelling issues.
- Adequate study gap before Prelims and between papers.
- More time to study for external subjects.

Second Year

- Students requested additional study time for Microbiology, along with a question bank and a college-level preparatory examination before the final exam.
- Reduction in college timings due to travelling.
- Adequate gap between Prelim papers and time for practical practice.

Third Year

- Proper washroom cleaning and hygiene.
- Sufficient time for case presentation.
- More short-case practical sessions.
- Adequate gap between Prelim papers.

Final Year

- Reduce college timings due to travelling issues.
- Regular cleaning of water coolers.
- Strict invigilation during Unit Tests.
- Display Prelim timetable and synopsis schedule early.
- Adequate gap between theory and practical papers.
